**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.

Statement regarding executory contracts:

The debtor has entered into numerous contracts (likely hundreds or thousands) throughout its history that do not specifically require further performance by either (or any) party but have not been explicitly terminated. Examples include: (i) nondisclosure agreements with certain counterparties, which do not require further affirmative performance but may require one or more parties to refrain from disclosing the other party's confidential information; (ii) agreements that do not require a physician, hospital, or clinic to procure genetic testing services from the debtor, but govern the terms under which such counterparty may obtain genetic testing services from the debtor for patients of the counterparty; (iii) agreements to maintain the confidentiality of protected health information pursuant to the U.S. Health Insurance Portability and Accountability Act (HIPAA) when exchanged between the parties; (iv) Health Registry Participation Agreements with physicians or medical clinics; and (v) provider agreements with state Medicaid agencies and private insurers for payment of claims related to genetic testing services.
